

15 CWT. BROCKHOUSE TRAILER FOR

The

LAND ROVER

FOR GREATLY INCREASED CARRYING CAPACITY

This 15 cwt. Brockhouse Trailer designed for use with the Land-Rover will be found of inestimable use in many ways. It immediately makes available a greatly increased carrying capacity. It is strongly constructed of steel but light in weight and easily and quickly attached and detached. Incorporated in the design is a combined over-run and parking brake. For the Farmer, the Market Gardener and for general use, this combination of the Land-Rover and Brockhouse Trailer offers a carrying service of wide utility.
