Hello [[data:firstname:""]],

Essex Area Representative Resignation

We are sorry to have to announce that over this last weekend Gary Gosney has decided to relinquish his role as Essex Area Representative. The club board wish to express their sincere thanks and appreciation for all the hard work and dedication Gary has shown since taking up the role of Area Representative for the Essex members.

His commitment to supporting the members and ensuring their needs were met has been invaluable to the club. The time and effort he invested in the role has not gone unnoticed, and we are incredibly grateful for everything he has done.

We hope Gary will continue to enjoy the club, as his presence and contributions have been highly valued by both the members and the board.

This means Essex now needs a new point of contact for members in your area. The small video below covers some basic information about the role.

There is never an expectation placed on an AR to arrange events, the club is simply seeking a member willing to become the spokesperson for the area.

Any enquiries can be made to:

essex@series2club.co.uk

Once again, we thank Gary for his outstanding work and dedication.
