Hello [[data:firstname:""]],

Classic Motor show @ NEC

8-10 November 2024

Club stand 3-380

The Classic Car Show at the NEC is the Biggest Car show in the UK, and for a number of years Series 2 Club has been present, showing our vehicles and the demonstrating the friendliness of the Club.

Last year, a Stand was reprised to mark the 65th Anniversary of the introduction of Series 2, in 2024, we have the opportunity to celebrate the 40 years of the Club's existence, from humble beginnings to the 2700 members who currently support our marque. Don't forget to use the discount code **CCCN265** when ordering tickets.

One of the attractions on the club stand this year will be a display of photos and videos of the club over the past 40 years - can you help provide any material? If you can, please can you make contact with Lara:
