

December 2023

Hello [[data:firstname:""]],

Welcome !!

What better way to introduce the Series 2 Land Rover Clubs **new** email newsletter than to wish you all a happy Christmas and what looks to be a fantastic Series 2 Club new year.

The future of the club looks to be in a very good position with introductions of a number of new benefits to all members, one being this newsletter, another the new club website, launching on the 1st of January. There are other plans in the pipeline that will be advertised to you either in Built 2 Last or via this newsletter. The plan is that this newsletter will be delivered into your inbox in between issues of B2L, giving you short updates on the club rally, discount codes, the clubs 40th anniversary events, tech tips and club announcements to name a few. It will not replace B2L in any way but to serve as a way to keep members more up to date between issues of B2L landing on your doormat.

Have a wonderful holiday !!
