**LAND-ROVER SERVICE NEWS LETTER Vol. 2 No. 36**

October, 1968

**Item 175 SUBJECT: MASTER PARTS PRICE LIST (Policy item)**

**REMARKS:** You will be receiving under separate cover your allocation of a new Master Parts Price List.  
The revised Master Parts Price List which shows Part Numbers and prices only, supersedes the 21st edition, including Cumulative Amendment No. 5. The new Master Parts Price list **must** be used for all price information.  
The original price list and amendment should be retained and used for **model applicability only**, pending the issue of a revised Part Number and model applicability list.

**Item 176 SUBJECT: CYLINDER HEAD**

**MODELS:** Land-Rover Bonneted and Forward Control models with 2½ litre Diesel engine.

**MODIFICATION:** Clarification of cylinder head applicability.

**LITERATURE AFFECTED:** See Land-Rover Service News Letter Vol. 2., No. 30, item 137.

**PART NUMBERS:** Cylinder head complete assembly 1 601469 Bonneted Control models, up to engine suffix letter 'J'  
Forward Control models: Up to engine suffix letter 'A'.  
Cylinder head complete assembly 1 605480 Bonneted Control models: From engine suffix letter 'K' onwards.  
Forward control models. From engine suffix letter 'B' onwards.

**REMARKS:** The injectors with top leak-off provision introduced in Land-Rover Service News Letter, Vol. 2, No. 30, item 143 are of a larger diameter than the previous type with side leak-off pipe. Consequently early and late type cylinder heads are not interchangeable and both types must be stocked as detailed above.

**Item 177 SUBJECT: INTERIOR TRIM**

**MODELS:** Land-Rover Bonneted and Forward Control.

**MODIFICATION:** Introduction of black interior trim replacing the previous grey colour scheme.

**LITERATURE AFFECTED:** Land-Rover Bonneted Control models: Parts Catalogue, Part No. 4656, pages 327, 329, 367, 371, 399, 401, 405, 407, 413 and 415.
